ABOUT BLS GLOBAL AND CITIZENSHIP BY INVESTMENT

BLS Global are pioneers of emerging investment immigration markets. For many years, BLS has successfully conducted GIIS events in Mumbai, London, Bengaluru, Abu Dhabi, Johannesburg, Ahmedabad and Surat.

BLS Global has been running a series of webinars to help maintain the momentum for Investment Immigration, and with the current COVID-19 pandemic investors are also reconsidering how to safeguard their wealth against future unforeseen shocks.

For this reason, we have seen a sharp increase in use of our online platforms while our audience is mostly confined indoors.

To capitalise, we are pleased to present our first **African Investment Immigration VIRTUAL EXPO 2020**, where industry stakeholders can directly address our value chain for the investment immigration industry.

Reach attendees globally through dynamic interactive tools, such as text chat in real time.

Attendees will navigate the expo through virtual lobbies, auditoriums and interactive spaces, with the option of connecting with potential new clients and partners to help with their immigration needs.

Sponsors will have the ability to showcase their company or services virtually, sharing information through videos, documents, and presentations while receiving real time and text chats over the two days from the safety of their offices - reducing the need to travel, the cost, the risk and quarantines!
